EBASS Usage Agreement

Juniper Gardens Children’s Project (JGCP) authorizes the signer of this agreement the right to install and run the EBASS system on a limited* number of devices for research purposes only.

- The signer agrees that he/she is planning to use EBASS in his/her current research or practice
- The signer agrees not to disseminate EBASS to more than the number of devices to be used in this agreement

Agreement Terms and Conditions

1. This agreement, with and between Juniper Gardens Children’s Project (JGCP) and the signer named in this document, authorizes the person or organization to use EBASS under the term specified herein.

2. This is a general agreement for all EBASS instruments:
   - MSCISSAR
   - ESCRIBE
   - CIRCLE

3. Instrument Releases: This agreement permits the installation and use of the following EBASS instrument only:

   [ONE Instrument Name from above: Assigned by JGCP]

4. Upgrade Policy: This agreement is valid for the latest version of EBASS as of the agreement date, and any releases that are within one year of the agreement date.

5. Copyright: The EBASS software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The EBASS software is licensed not sold. Title to the EBASS software shall at all times remain with JGCP.

6. Software Support: JGCP will provide software support during the one (1) year research effort as per this user’s agreement.

7. Disclaimer of Instruments:
   - MS-CISSAR is an older Window-based application, which may or may not be compatible with the user’s current version of Windows.
   - ESCRIBE is an older Window-based application, which may or may not be compatible with the user’s current version of Windows.
   - CIRCLE is an Android-based application, but requires a Windows-based PC for its Microsoft Access database and Microsoft Excel report. This application requires a one-time setup for the Android device to communicate with the Windows PC.

8. Disclaimer of Warranty: The EBASS software and the accompanying files are distributed and licensed “as is”. JGCP disclaims all warranties, expressed or implied, including, but not limited to implied warranties of merchantability and fitness for a particular purpose. Should the EBASS software prove defective, the user assumes the risk of paying the entire cost of all necessary servicing, repair, or correction and any incidental or consequential damages. In no event will JGCP be liable for any damages whatsoever (including without limitation damages for loss of research interruption, or loss of information and/or data and the like) arising out of the use or inability to use the EBASS software even if JGCP has been advised of the possibility of such damages. JGCP has no liability.

9. This agreement is subjected to the terms and conditions of the EBASS software release as of the agreement date.

My signature below affirms that I have read and agree with all the terms and conditions of this agreement, which is in effect up to 1 year of the agreement date of this document, to use the EBASS instrument for research purposes only with the understanding that I can renew this agreement if necessary.

*I will be installing EBASS instrument specified above in 3) on [specify number] devices (Windows-based laptops or Android-based tablets/smartphones)
